(Use reverse side if necessary.
 Show info such as: History of corner, with reference to Vol. and page,
 dates, surveyor; exact description of monument found; if location
 computed, by taped or EDM traverse; landowner remarks, witnesses,
 etc.)

Researched County Survey Records pages 246 and 377. Could not find any of the B.T.s recorded in the original notes or as listed on page 246. At the corners occupied location there is a old fence corner which fits well with the other corners along the Town Line. I accepted the old fence corner as the best location.
