Robberlin Plat
122 520

The image shows a full page of graph paper. At the top left, there is handwritten text in dark ink: "Robberlin Plat" on one line and "122 520" on the line below it. The rest of the page is covered by a blue-lined grid. The grid is composed of small squares, approximately 1 cm by 1 cm. There are several vertical lines that divide the grid into columns of different widths. Specifically, there are thin vertical lines every centimeter, and thicker vertical lines at intervals of 10, 20, 30, 40, 50, 60, 70, 80, 90, and 100 units from the left edge. In the top right corner, there are some very faint, light-colored markings that appear to be bleed-through or light pencil marks.
